THANK YOU NOTES:

I want to thank SBRA for the great awards I received; they are very thoughtful and useful. Thank you
On a personal note, I appreciate all the thoughts, cards, and prayers that I have received from our "barrel racing" family. This isn't
easy, but the support does help to get a person through the tough days.

Thank you --Nicole, Reed and Wesley Moore

Just a quick note of thanks for the awards Klayton and I received at the finals they were great! Thanks to all the other officers and
board of directors for their time and patience for this association. -----Thanks again, Rylene and Klayton Hessman

.....

Thank you Melissa for all your hard work on the awards, they were great. Also thank you to all the jackpot sponsors because without
you guys working your tails off, we would not have such great awards. Looking forward to another great year!!

Angie Hoss
